www.himedialabs.com HIMEDIA Safety data sheet(SDS) According to Regulation (EC) No.1907/2006 **Revision**: 00000 Date of Revision : 00.00.0000 1 Identification of the substances/ mixture and of the company/ undertaking 1.1 **Product Identifiers Product Number** TS1119 **Dulbecco's Phosphate Buffered Saline Product Name** w/ Calcium and Magnesium w/o Phenol red 9.6g/L Relevant identified uses of the substance or mixture and uses advised against 1.2 Relevant identified uses Laboratory chemicals, Manufacture of substances 1.2.1 Details of the supplier of the safety data sheet 1.3 HiMedia Laboratories Private Limited Produced by 23, Vadhani Industrial Estate, LBS Marg, Ghatkopar (W), Mumbai - 400 086 Address India 1.4 Tel. No. +91-22-2500 0970, +91-22-2500 1607 Fax No. : +91-22-25002468 Mail Id info@himedialabs.com Website : www.himedialabs.com **Emergency Tel. No.** Emergency Tel. No. Please contact the regional HiMedia representation in your country 2 **Hazards Identification** Classification of the substance or mixture 2.1 CLP Classification-Regulation (EC) No. 1272/2008[EU-GHS/CLP] Not a hazardous substance or mixture according to Regulation (EC) No.1272/2008 Label elements 2.2 Labeling according to Regulation (EC) No.1272/2008 The product does not need to be labelled in accordance with EC directives or respective national laws. **Other Hazards** 2.3 None 3 **Composition/Information On Ingredients** No components need to be disclosed according to the applicable regulations. 4 **First Aid Measures** Description of first aid measures 4.1 General advice Show this safety data sheet to the doctor in attendance. If inhaled If breathed in, move person into fresh air. Consult a physician. In case of skin contact Page 1 of 6

4.2	 Wash off with soap and plenty of water. If skin irritation occurs,get medical advice/attention. <i>In case of eye contact</i> Rinse out with plenty of water with the eyelid held wide open. If eye irritation persists, get medical advice/attention. <i>If swallowed</i> Rinse mouth with water. Consult a physician if feeling unwell. Most important symptoms and effects, both acute and delayed The most important known symptoms and effects are described in the labeling (see section 2.2) and/or in section 11.
4.3	Indication of immediate medical attention and special treatment needed No data available
5 5.1	Fire Fighting Measures Extinguishing media
	Suitable extinguishing media Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. Unsuitable extinguishing media
5.2	Special hazards arising from the substance or mixture Sodium oxides, Potassium oxides, Oxides of phosphorus, Hydrogen chloride gas
5.3	Precautions for fire-fighters
5.4	No data available. Further information Wear self-contained breathing apparatus for firefighting if necessary.
6	Accidental Release Measures
6 6.1	Accidential Release Measures Personal precautions, protective equipment and emergency procedures Use personnel protective equipment. Wear disposable gloves, dust mask and eye protection. Avoid dust formation. For personal protection see section 8.
6.2	Environmental precautions Prevent further leakage or spillage if safe to do so. No special environmental precautions required.
6.3	Methods and materials for containment and cleaning up Keep in suitable, closed containers for disposal.
6.4	Reference to other sections For disposal see Section 13.
7	Handling and Storage
7.1	Precautions for safe handling Avoid contact with skin and eyes. Avoid formation of dust and aerosols. Provide appropriate exhaust
7.2	ventilation at places where dust is formed. For precautions see section 2.2. Conditions for safe storage, including any incompatibilities Store in cool place. Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage.

Page **2** of **6**

Recommended Storage Temperature : Store at 15-30°C

7.3 Specific end uses

Apart from the uses mentioned in section 1.2 no other specific uses are stipulated.

 8.1 Control parameters Components with workplace control parameters 8.2 Exposure controls Appropriate engineering controls Handle in accordance to general industrial hygiene and safety practice. Wash hands before breaks and immediately after handling the products. Personal protective equipment Hygiene measure Avoid contact with skin,eyes and clothing. Immediately change contaminated clothing. Eye/face protection Safety glasses with side-shields conforming to EN 166 Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166 (EU). Skin protection The selected protective gloves have to satisfy the specifications of EU Directive 89/686/EEC and the standard EN 374 derived from it. Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose contaminated gloves after use in accordance with applicable laws and good laboratory practices. Body protection Impervious clothing The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace. Respiratory protection For nuisance exposures use type P95 (US) or type P1 (EU EN 143) particle respirator. For higher level protection use type OV/AG/P99 (US) or type ABEK-P2 (EU EN 143) respirator cartridges. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU). Fruvironment exposure controls Do not let product enter drains. 9 Physical and chemical properties Appearance Off-white to Creamish white, homogenous powder Odour No data available 	8	Exposure Controls/Personal Protection

- 12.6 Other adverse effects No data available
- 13 Disposal Considerations

13.1 Waste treatments methods

Product

Offer surplus and non-recyclable solutions to a licenced disposal company. Dispose off waste in accordance with all applicable Federal, state and local laws.

13.2 Contaminated packaging

Dispose in accordance with all applicable federal, state, and local environmental regulations.
